

Parents/Guardians,

I hope this communication finds you well.

As we prepare for the O Highway Bridge closer at the Platte River we must reroute buses to make sure we don't interrupt services to these riders. We strive to make sure that buses are running in the most efficient manner for both the students and the district.

We have found that routes 408 and 410 require some minor changes in order to accommodate the bridge closer. On the back of this letter, you will find the new route times. Please make sure that your student reviews this change so that they can ride the correct bus at the correct time. As a reminder students need to be ready and waiting for the bus five minutes prior to the stop time.

These changes will take effect on Wednesday March 13th 2019.

If you should have any concerns please do not hesitate to contact me at 816-324-1400.

Sincerely,

Aaron Harris
General Manager
Durham School Services
